

Tournament Information & Rosters

Welcome to the Paul D. Merritt OverSpeed Hockey Holiday Classic!

Founded in 2012, OverSpeed Hockey is a complete hockey organization focused on growing the game of hockey through player development, coaching education, player advisory, and organizational management/consulting.

Our eastern USA center is based right here in Rhode Island, with programs in Massachusetts, New York, and Pennsylvania. Our western USA center is based in Sun Valley, Idaho — home of our annual Sun Valley Experience Youth Camp and our adult Weekend Warrior Camp, along with many in-season programs throughout the Rocky Mountain region. Our international footprint includes China, Latvia, Norway, and Sweden.

OverSpeed Hockey's staff is comprised of coaching, playing, and teaching professionals with decades of leadership experience in the NHL, AHL, ECHL, NCAA, NWHL/PHF, Prep, IIHF, and European professional ranks.

In addition to the development end of OverSpeed Hockey, our 360° Advising program has helped numerous players and families chart a course through the game of hockey. The goal of 360° Advising is to leverage our experience at all levels of the game to help each player and family understand the paths and decisions in front of them so they can reach their end goals and enjoy the process.

We truly hope you enjoy your time in the Ocean State. We're proud to call the smallest state our home and look forward to working with you all and being of assistance in any way we can.

Good luck and have fun!

A few words from the family of Paul D. Merritt

On behalf of the Merritt family, we would like to thank all of you for honoring my father, Paul D. Merritt, and his commitment to the game of hockey.

Paul graduated from Northeastern University and served as the Executive Director of Charles River Industries, a sheltered workshop for mentally and physically handicapped children and adults located in Needham, Mass. In his “other career,” Paul served as the New England / USA scout for the Buffalo Sabres for 30+ years and a summer league coach to a generation of players in the greater Boston area.

Paul was a friend, mentor, and coach to many in both his careers and part of the “golden age” of hockey guys in New England, full of love and respect for each other and everyone associated with the game. Paul's love for hockey and people in general was infectious. He believed hockey was not only the greatest game ever played but also that it was full of life lessons. He would often end his youth hockey pregame speeches with "play hard and have fun" — something everyone in today's game should keep in mind and words that players, parents, and coaches should live by.

On behalf of the Merritt family, thank you to all the competitors, sponsors, scouts, recruiters, families, and friends participating in the Paul D. Merritt Holiday Classic.

Good luck!

"PLAY HARD AND HAVE FUN" — Paul D. Merritt

Tournament Information

HOCKEY INFO

- Game updates via Twitter and Instagram @OverSpeedHockey and at overspeedhockey.com.
- All teams are guaranteed 4 games with placement and championship games at all levels.
- Games will consist of three 17-minute periods, flood after 2nd. Warm-ups will be five minutes and lead immediately into the start of the game. All teams must be ready for warm-ups five minutes prior to the scheduled start of the game. If a team is not ready to play, this will result in a minor penalty to start the game.
- If regulation time expires and the game is tied, sudden death OT will be played 3 vs. 3 for five minutes running time. There will be no shootout in round robin games. Championship Games will be played with a 10 minute 3 vs. 3 OT, followed by a shootout.
- Point system will be based on 3 points maximum per game if won in regulation. A game ending in a tie at the end of regulation will result in each team being awarded a point. If a game is decided in OT, the winning team will gain an extra point.
- Championship seeding will be based on total game points earned through the three round robin games. Tie-breakers will be as follows: head-to-head, goal differential, period points (1 point per period won, not leading), coin flip.
- Playoffs will place 1st vs. 2nd, 3rd vs. 4th, 5th vs. 6th at the U15 level - 1st vs. 2nd, 3rd vs 4th at the U14 level. At the U16 and U18 levels, there are two divisions – playoffs will feature the two first place teams, the two second place teams, the two third place teams, and the two fourth place teams.
- Home teams are listed in bold/underlined on the schedule — the highest seeds will be home teams for games on Sunday. Home teams will wear light uniforms.
- USA Hockey rules will be played.
